Dear Sir/Ma,

APPLICATION FOR THE POST OF SENIOR ENGINEER, FIELD OPERATIONS

It is with great anticipation that I present my resume to you for the position of Senior Engineer, Field Operations in your honorable establishment.

With my knowledge of the telecommunication industry, I must say that the transformative approach of 9mobile management is indeed commendable, and it has repositioned the company in the industry for a greater impact.

I have realized that 9mobile is not a company that is only driven by innovative technology, but also by unlimited passion and team commitment. These are qualities I possess, and I believe that my work experience which cut across Performance Management and Optimization, Network Integration and Operation, IT Infrastructure Support and Project Management, have prepared me for this position. You will see from my attached CV that I am the best fit for this position.

In addition to these experiences, I have effective communication skills, computer proficiency in Application Management, MS Word, Excel, PowerPoint, and Business Analytics skill.

I bring along with me excellent knowledge of network architecture, people management with a strong desire to learn, a passion for teamwork, and a result-oriented mindset to contribute to the ongoing transformation efforts to place the brand in an enviable position.

Thank you for your attention and consideration.

Best Regards.
